I write as General Secretary of the FKTU, to request information because we want to better understand the situation today ITKF crosses.

In several emails that are circulating from time to time, there are allegations of ITKF President Mr. Jorgensen to the ITKF Vice-President Mr. Kwiecinski, as well as a reciprocal.

Our organization was a founding member of the ITKF, internal situations today because we had to create a new organization. Requested admission to the ITKF in May 2012 and were confirmed as members representing our country in the last World Cup held in Poland.

As a federation we have met each and every one of the requirements for our income ITKF, timely now want to know:

- a) What is the real situation today ITKF how organization?
Because according to documents that arrived in our mail from a law firm, the federation is suspended. Dated 16.07.2013 attached mail N°1 (a and b).
I hope your answer, it is important for us to listen to two bells;
- b) If the organization is suspended, how can Mr. Jorgensen discuss the board meeting in which the decision is taken to punish an organization?, Which rightfully attends the board to sanction a federation, if the organization itself does not exist;
- c) If in its founding charter, the ITKF was created as corporation (according to attachment N° 1) how it is that we speak of a worldwide organization that associates federations?;
- d) If a corporation like ITKF is suspended, its statutes are valid?;
- e) What powers have the board of directors?, who are the members of the board?, all these members met in "Special meeting" on June 6?, we want to see a copy of the minutes of that meeting with the signing of members of the board of directors;
- f) According to the letter dated July 18, which refers to the meeting of the board held in Greece on July 17, who were the members who participated in that meeting?, of agreements ITKF statutes, the president has voice and vote?, many members of the board will need to make decisions and that they remain effective?;
- g) If the Vice-President Mr. Kwiecinski requests information concerning the financial statements of the ITKF, why the President Mr. Jorgensen presents not?, In the same vein of consultations, the FKTU paid their membership payments:

the money that we charged, what destination had?, If the organization is suspended how can we have issued pay stubs the ITKF?, the administrative council was aware of the situation ITKF?, by what right we charge a membership of an organization that does not exist?;

- h) Who is responsible for providing such information?, why we were not informed of the status of ITKF?, who is responsible for sending the information to the member federations: the president, to the board, to the secretary?

We want answers to these questions as soon as possible, because as federation must inform our partners consensus then make a decision.
